

ELECTION FEVER

It's never too early for students to learn about civics and democracy. With our **Election Fever** kit, students can learn how and why elections are run, who is standing in their local electorate, and how to run a classroom election. This resource will be supplied in two parts. The State Election kit will be supplied in the first week of March and the Federal Election kit will be provided when that election is called later in the year.

This \$40 kit includes:

- 📖 State Election activity book (provided in first week of March)
- 📖 Federal Election activity book (provided when the election is called)
- 📖 Newspaper supply - 15 copies of the weekday *Mercury* for 10 school days from March 9 until March 22 (inclusive). A further supply will be provided for 10 school days in the leadup to the Federal Election once it is called later in the year.
